Waiver Regarding Nuchal Translucency Blood Draw

You may be scheduled for a Nuchal Translucency Ultrasound when you are between 12-14 weeks in your pregnancy. This ultrasound includes a blood draw. The only lab that processes this genetic testing is NTD Labs, which may not be contracted with your insurance. It is your responsibility to contact your insurance company to find out if this is a lab within your network. NTD Labs may be contacted at 1-888-683-5227 for more information.
